Payment is enclosed *
Payment already made *
* please delete as appropriate

Please provide accurate measurements on the plan below to pinpoint the exact position you require the water pipe. If you do not provide these details, our plumber will simply place the pipe in the most convenient location along the back line of your stand.

Installation will begin at the Association's convenience and amendments cannot be accepted once the plumber has started work.

Please mark the position you require your water supply in the box below
